present the true issue, and commit yourselves to the great mission just now of the democratic party,-to restore and make Bakery & Confectionery. democratic party,—to restore and make sure first the rights and liberties declared yours by your constitutions. It is in vain to invite the States and people of the South to return to the Union without a constitution, and dishonored and polluted A L kinds of Fancy and Wedding Cake kept con by repeated and most aggraved exertions of stantly on hand and made to Order. Also, of tyrannic powor. It is base in your-rackers, and everything in the Eakery line, as low as selves, and treasonable to your posterity, to surrender these liberties and rights to the creatures whom your own breath created and can destroy. Shall there be free speech, a free press, peaceable assemblages of the people, and a free ballot any longer THE Subscriber would respectfully inform his customers and the public generally, that he has a very large assortment of SADDLEY AND HARNESS WORK of Extra quality, ready for the SPRING TRADE, which he can sell at OLD PRICES. No break-tag backles used, but every sett of harness has the IMPROVED POST PATENT TRACE BUCKLES on, which no one should fail to secure. They avoid the breaking of traces, so common with the old buckles, and are much more concentent in shifting the traces. The PATENT BUCKLES cost no more than the others, and will save Thirty-eight or the constitution by the supreme law of the land? And shall the citizen any more be arrested by an armed soldiery at midnight; dragged from wife and child and home, to a military prison; thence to a mock military trial; there condemned, and then banished as a felon for the exercise of his rights? This is the issue; you have nobly met it. It is the very question of free, popular government itself. It is the whole question: upon one side, liberty; on the other, despotism. The President, as the recognized head of his party, accepts the issue. Whatever he wills, that is law. Constitutions, State and In your hands now, men of Ohio, is the themselves. Suffer them not, I entreat the paper in which they are put up you, to evade the issue; and by the judgment of the people we will abide. And now, finally, let me ask, what is

the pretext for all the monstrous acts and claims of arbitrary power which you have so boldly and nobly denounced? "Military necessity," But if, indeed, all these rae demanded by military necessity, then, believe me, your liberties are gone, and tyranny is perpetual. For, if this civil war is to terminate only by the subjugation or submission of the South to force ard arms, the infant of to day will close. Traveling a thousand miles and up, after brushing and beating them, in Montercau his life was eaved by a lieupox, he closes the door of his hut, kills the was eaved by a lieupox, he closes the door of his hut, kills the was eaved by a lieupox, he closes the door of his hut, kills the was eaved by a lieupox, he closes the door of his hut, kills the was eaved by a lieupox, he closes the door of his hut, kills the was eaved by a lieupox, he closes the door of his hut, kills the was eaved by a lieupox, he closes the door of his hut, kills the was eaved by a lieupox, he closes the door of his hut, kills the source of the control of the contr

man, woman or child, who was not resolved to perish rather than yield to the pressure of arms, even in the most desperate extremity. And, whatever may and must be the varying fortune of the war, in all which I recognize the hand of Providence in the United States, a prisoner of State; pointing visibly to the ultimate issue of banished thence to the Confederate States, this great trial of the States and people of and there held as an alien enemy and America, they are better prepared now prisoner of war, though on parole, fairly every way to make good their inexorable and honorably dealt with and given leave to depart,—an act possible only by running the blockade at the hazard of being deed, be unwelcome truths, but they are fired on by ships flying the flag of my own addressed only to candid and honest men. country,-I found myself first a freeman Neither, however, let me add, did I meet when on British soil.
